In re: *Approval of the Amendment to the Interconnection Agreement Negotiated by BellSouth Telecommunications, Inc. and NuVox Communications, Inc f/k/a Trivergent Communications, Inc. Pursuant to Sections 251 and 252 of the Telecommunications Act of 1996*

Docket No. _____

**PETITION FOR APPROVAL OF THE
AMENDMENT TO THE INTERCONNECTION AGREEMENT
NEGOTIATED BETWEEN BELLSOUTH TELECOMMUNICATIONS, INC.
AND NUVOX COMMUNICATIONS, INC. F/K/A TRIVERGENT
COMMUNICATIONS, INC. PURSUANT TO
THE TELECOMMUNICATIONS ACT OF 1996**

COME NOW, NuVox Communications, Inc. f/k/a Trivergent Communications, Inc. ("NuVox") and BellSouth Telecommunications, Inc., ("BellSouth"), and file this request for approval of the Amendment to the Interconnection Agreement dated June 30, 2000 (the "Amendment") negotiated between the two companies pursuant to Sections 251 and 252 of the Telecommunications Act of 1996, (the "Act"). In support of their request, NuVox and BellSouth state the following:

1. NuVox and BellSouth have successfully negotiated an agreement for interconnection of their networks, the unbundling of specific network elements offered by BellSouth and the resale of BellSouth's telecommunications services to NuVox. The Interconnection Agreement was approved by the Tennessee Regulatory Authority ("TRA") on October 24, 2000.

2. The Interconnection Agreement expired on June 29, 2003 and the parties are currently in arbitration proceedings in BellSouth's nine state region. The Interconnection Agreement will continue month to month until the arbitrations have been completed.

3. The parties have recently negotiated an Amendment to the Agreement. The Amendment adds Section 8.3.6, Rearrangements to Attachment 2 and the associated rates. A copy of the Amendment is attached.

4. Pursuant to Section 252(e) of the Telecommunications Act of 1996, NuVox and BellSouth are submitting their Amendment to the TRA for its consideration and approval. The Amendment provides that either or both of the parties are authorized to submit the Amendment to the TRA for approval.

5. In accordance with Section 252(e) of the Act, the TRA is charged with approving or rejecting the negotiated Amendment between BellSouth and NuVox within 90 days of their submission. The Act provides that the TRA may only reject such an agreement if it finds that the agreement or any portion of the agreement discriminates against a telecommunications carrier not a party to the agreement or the implementation of the agreement or any portion of the agreement is not consistent with the public interest, convenience and necessity.

6. NuVox and BellSouth aver that the Amendment is consistent with the standards for approval.

NuVox and BellSouth respectfully request that the TRA approve the Amendment negotiated between the parties

This 18th day of October, 2005.

Respectfully submitted,

BELLSOUTH TELECOMMUNICATIONS, INC
